- From charge data extracted from Kentucky Hospital Association Database.
- Hospitals doing fewer than 20 CABGs in 2012 are not listed.
- Totals of all 6 MSDRGs that include CABG– from MSDRG-131 to 136.
- CABG= Coronary Artery Bypass Graft
  
- Note: Some discharges for which CABG is not entered as the primary reason for admission are not included in these counts. These "missed" procedures average 16% of the total. The percentage not included is greater in the higher-volume hospitals.
