

Department of Veterans Affairs

Notice of Public Meeting

Date: Wednesday August 15, 2012

Location: Clifton Center

2117 Payne St

Louisville, KY 40206

Time: 6:00pm to 8:00pm

The Department of Veterans Affairs (VA) will hold a public meeting related to the Master Plan of the new Robley Rex VA Medical Center (VAMC) to be located at 4906 Brownsboro Road and the intersection of Interstate Highway-264 (Watterson Expressway) in Louisville, Kentucky, to replace the current facility located at 800 Zorn Avenue.

The purpose of this meeting is to provide the general public, interested stakeholders, affected governmental agencies and other interested parties timely information regarding the proposed action of the VA relative to the present progress of the Facility Master Plan for replacement of the Robley Rex VA Medical Center (VAMC). The master planning process provides the VA with guidance for design and construction of the new medical center, which will address immediate needs, while providing strategies to mitigate adverse future impact or loss of function. The Robley Rex VAMC master plan will be responsible for anticipating – on a conceptual level – the construction of new and future structures, on-site vehicular circulation and parking, landscaping, improvements to existing utilities and infrastructure, and improvements to the existing transportation system by means of analyzing existing conditions. The master plan is conceptual in nature and will neither establish a design for the construction or implementation of the new medical center nor institute benchmarks for the same purpose.

Informational materials will be posted on the Robley Rex VAMC's web-site at

<http://www.louisville.va.gov/newmedicalcenter/index.asp>

The public is invited to submit oral or written comments on the proposed action and master plan.

Comments may be provided:

- Verbally at the Public Meeting (no pre-registration required)
- In writing at the Public Meeting
- Via email at LouisvilleReplacementHospitalComments@va.gov
- In writing to: Robley Rex VA Medical Center, Director's Office, 800 Zorn Avenue, Louisville, KY, 40206

All comments must be received by August 29, 2012.

The Clifton Cultural Center is conveniently located with plenty of free parking. Driving directions are available at the Clifton Center web-site at www.cliftoncenter.org
